### MESSAGE FROM PASTOR DAVE

Ecclesiastes 4:9 Tells us 'Two are better than one; because they have good reward for their labor'...Verse 12 continues, '...and a threefold cord is not quickly broken'.

Reading those verses reminds me of how important it is for us to work together at Trinity. Our strength is in our unity and our willingness to work together.

Obviously, no two of us are alike and we all have different talents and financial abilities. However, together as one, we are a wonderful tool in the hands of God.

As we get ready to begin our 'Capture the Vision' push, I'm praying that we will each determine to do our part so that together we can accomplish all that God has for us. Will you join me in praying too!

Pastor Dave

### WHAT DOES THE NEW CLASSROOM WING MEAN TO YOU?

Kids can bring more friends...we can even have more room to drive that with special events.

It means that as teachers we can "have a place to call our own" where we can put up visuals so that kids can have another way to grasp what is being taught. For teenagers a place to call their own means even more!

It means we can grow to the potential that God has for us to grow! - Suzi Schneman

To me a new classroom wing means the opportunity to serve more families in our communities. We will be able to create an inviting environment that is targeted for the age groups that will use the space. We will be able to engage the kids in even more activities than we currently offer and we won't have to worry about disrupting the worship service that is currently right outside our door. It will be one more chance to reach out to others and show the love of Jesus. - Amy Miller

## NOTES FROM THE CAMPAIGN CHAIR

A new blog and now another newsletter! We have entered the computer web communications world! Check us out on the website [www.fctrinity.org](http://www.fctrinity.org)! We are new to the blogging world so have patience with us!

Things are moving along rapidly with our 'Vision' campaign. Please remember to mark on your calendar our special event open to all congregation families, October 30th. Suzi and team have been busy preparing for a family fun night filled with music, catered meal, fellowship, comedy, and celebration of our 'Vision' for the future of Trinity. You will not want to miss this!

We have another Team meeting with Steve Johnson from EFCA coming up Thursday, August 12. We will be finalizing plans in all areas of our team. Here are some of the upcoming highlights.

**Communications**...expect to see Michelle and her team's hard work making sure the communication flows freely. The newsletter, website, and various other informative handouts are in the works. We want to know your questions and concerns. Your feedback is welcome!

**Prayer Team**...Deb Berger and crew have been working on the 'Prayer Patrol' and special prayer events. Be looking out for the 'prayer tour' of the proposed new addition and special calendar of prayer focus.

**Pastoral**...Get ready to dig deeper into our prayer life, a devotional handout, and a special sermon series focusing on the book of Nehemiah. Pastor Dave does not let much 'grass grow under his feet'.

It is truly a very busy and yet very exciting time at Trinity. I encourage you to find those special intimate moments with our heavenly Father. Think about spending some time in fellowship with a small group. Rejuvenate your spirit.

## SERVING AS A TEACHER

Serving as a teacher in wee church has been very rewarding. Even though there are times when I've had a long week and the last thing I want to think about is preparing a lesson plan for Sunday. Every time God shows me a lesson of my own. I can't tell you the number of times I've sat down to rush through a lesson plan and God sends me a message that renews my spirit...then I end up asking myself why I didn't start on the lesson plan earlier in the week so I could have received his message earlier. The kids are truly inspirational. They are always smiling and the amount of information they retain is remarkable. It is so rewarding to see that God can use me to give these children the invaluable lessons of his word. - Melinda DeRossi
